

4-6 WEEK
SUMMER PROGRAM

*Launching pad for faculty, research staff + graduates
across Idaho with an entrepreneurial inclination*

Idaho I-Corps Ignite Faculty Summer Workshop

Presented in Partnership by:

LAUNCH YOUR VENTURE BEYOND THE CLASSROOM

Focus on Scalable Ventures

This program will deliver **training, provide a network, facilitate connections** to service and capital providers, and **establish a scalable structure** for faculty seeking to go to market with their ideas.

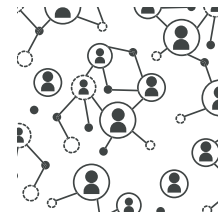

Stipend for Participants

There will be a **stipend offered for faculty and graduate students** accepted into the program.

All Academic Disciplines Welcome

Faculty members are doing incredible research across many disciplines. We encourage all **faculty members from higher education institutions across Idaho** with an entrepreneurial inclination to apply!

Mentor Network

Work with the Venture College and a network of mentors to **refine your solutions into ventures** through research, customer discovery, and idea validation.
